f. Name of Preparer(s): Rick Adair

CONCLUSION AND RECOMMENDATION

The above environmental document has been reevaluated as required by 23 CFR 771 of the Project Development and Environment (PD&E) Manual of the Florida Department of Transportation (FDOT), and it was determined that no substantial changes have occurred in the social, economic, or environmental effects of the proposed action that would significantly affect the quality of the human environment. Therefore, the original Administrative Action remains valid.

It is recommended that the project(s) identified herein be advanced to the next phase of project development.
